## About me

Laurenz Pekarek has been working as associate at VHM since April 2026 in the field of real estate law. His practice focuses on real estate-related matters, with particular emphasis on property transactions and project development.

Prior to joining VHM, he gained initial professional experience through several internships with renowned Austrian law firms and companies.

Laurenz completed his law degree at the University of Vienna and has also completed his court practice. He is fluent in German and English.
